PRESS RELEASE
SEPTEMBER 2022

THE END OF YEAR FESTIVITIES IN MAURITIUS

ALIVE at Heritage Resorts

A sensory escape in connection with nature

For the holiday season, Heritage Resorts is plunging us into the clear waters of the Indian Ocean for a 100% carbon-free* stay in a festive haven, between beach and mountain. From December 20, 2022, to January 6, 2023, the Mauritian hospitality group is creating the buzz and thrilling the senses to the rhythm of festivities, wellness and gastronomical delights.

Let yourself be swept away by a whirlwind of colours and flavours, immersed in an unspoiled nature. Indulge in the tropical surroundings, breathe, dance and share... with your feet in the sand. This is what Heritage Resorts is planning around its festive season, through the ALIVE festival.

Embodying the revival of the Mauritian hospitality and the tropical 'art de vivre' the hotel group has come up with a unique program in Mauritius for the end of year.

With ALIVE, this landmark of sustainable living and haven of tasteful luxury, has come up with an exciting plan: 18 days featuring musical highlights with international artists, 100% locavore culinary experiences, and wellness breaks in connection with nature.

A hot volcanic stone spa therapy massage at Heritage Le Telfair, a Christmas decoration workshop at the Timomo mini club, a movie under the stars at Kaz'alala, a Getaway in the Heart of Nature in the UNESCO classified Bel Ombre Nature Reserve, a sunset rum tasting on the terrace of the Château de Bel Ombre, a live sunset by Julia Gautier by the pool of Heritage Awali, a DJ set by Saint Lanvain at C Beach Club, a treasure hunt around the Bel Ombre Territory for our teenagers, a meditation session overlooking the lush nature that plunges into an emerald lagoon... every single day will be loaded with activity options, whether you are with your family, friends or with a partner.

More than a stay in Mauritius, ALIVE is a promise to experience Mauritian authenticity in the heart of a preserved nature, in an area that promotes authenticity, sustainability and inclusiveness.
